

ENVIRONMENTAL POLICY

Al Dhafra Recycling Industries LLC require active commitment from all employees and other stakeholders to support Environmental initiatives.

To continuously improve and sustain Environmental excellence, we are committed to:

- ❖ Communicate **Al Dhafra Recycling Industries LLC's** Environmental Policy and procedures to all relevant stakeholders including employees and others working on our behalf;
- ❖ Comply with all applicable environmental laws, regulations, statutory obligations as well as legal requirements regarding energy consumption and energy efficiency
- ❖ Maintain environmental management systems that are appropriate to the nature and scale of our business, fulfill the requirements of ISO 14001, and an energy management system based on ISO 50001.
- ❖ Make business decisions that work towards achieving sustainable development;
- ❖ Ensure that our employees, subcontractors, suppliers and consultants are aware of and have the necessary skills to fulfill their environmental obligations with respect to Al Dhafra Recycling Industries LLC operations;
- ❖ Strive to conserve resources, reduce waste, reduce carbon footprints and eliminate or minimise adverse environmental effects and risks that may be associated with our services and operations;
- ❖ Consider environmental impact assessment and energy efficiency in all major investment and procurement decisions.
- ❖ Take additional measures to continuously improve our environmental performance and reduce our energy consumption.
- ❖ Work with our clients and other stakeholders to help them achieve their environmental objectives and obligations; and
- ❖ Periodically review and revise our Environmental Policy and procedures to maintain its relevance.

These commitments will be achieved by:

- ❖ Establishing and maintaining a documented Environmental Management System.
- ❖ Ensuring procedures, program and guidelines are in place to support the EAD.
- ❖ Providing the necessary Environmental resources for the implementation of the Management System.
- ❖ Communicating the Company's Environmental policy and objectives to relevant interested parties including its employees, stake holder, clients and customers.
- ❖ Setting, monitoring and reviewing Environmental targets and objectives.
- ❖ Providing training & education programmes to all workforce and stakeholders to raise awareness and collective responsibilities.
- ❖ Authorizing and signing the Policy by Top Management.
